Together Students Achieve

Principal: Mrs Alison Sherman

March 2018

Dear Parent/Carer

### **Sport Relief 2018 Sponsored Run**

As part of our fundraising to help support local and national charities we are asking students in Years 7 – 11 to take part in a sponsored run during a PE lesson with all money raised going towards Sport Relief. This year Sport Relief takes place between 17 – 23 March 2018.

Sport Relief supports many projects here in the UK and across the world. We would be very grateful if you could encourage your child to collect as much sponsor money as possible so that together we can make a significant donation towards such as worthwhile cause.

Students who take part will complete a mile run and will have their sponsor forms signed by a member of staff at the end of the lesson to confirm their participation. All students are to wear their normal PE kit during the sponsored run and can bring water to drink during the lesson if they wish.

Students who have volunteered to be part of our 'Dream Team' fundraising group have helped organise this event and I am sure that it will be a great success. Thank you for your help and support and if you have any questions about the event please do not hesitate to contact us as the academy.

Yours faithfully

*L Harvey*
