

The Sutton Academy

You said - We did

In response to your feedback

YOU SAID

"What is the academy doing to provide smooth transitions from primary school to the academy"

WE DID

Develop the new Live2Learn curriculum which is a nurturing primary & secondary curriculum where students can develop learning competencies for life. This is delivered in the new Year 7 home base.

YOU SAID

"We would like to see more choices for students in their studies"

WE DID

"Create a new curriculum which provides a more individual approach to learning through more exam course choices at Key Stage 4 and also options at Key Stage 3, including early entry exam courses in Year 8 & 9"

YOU SAID

"We want learning to be exciting for our children at the academy"

WE DID

Adopt the ALITE accelerated learning model for all teachers in all subjects through extensive staff training.

YOU SAID

"The food in the canteen needs to improve"

WE DID

Commissioned a private catering company to provide high quality, nutritional food for all our learners.
