

THE BUSINESS, COMPUTER SCIENCE AND DIGITAL LITERACY FACULTY

The Business, Computer Science and Digital Literacy Faculty at the Sutton Academy consists of knowledgeable, passionate and enthusiastic teachers who strive to give students a thought provoking and enjoyable experience in every lesson

INTRODUCTION

As a new member of staff, you will be fully supported by an experienced group of colleagues who share a vision of excellent teaching and learning founded upon collaborative planning and assessment. We work together to ensure that there is consistency across the faculty and to support each other to continually improve and achieve the best outcomes for our students.

CURRICULUM

Our faculty currently comprises seven teachers, including both a Faculty Leader and Curriculum Leader for Business. Staff enjoy a positive, collaborative working environment and benefit from excellent classroom/IT facilities. We are seeking an enthusiastic and innovative teacher who will contribute fully to faculty life, inspiring and engaging students through our forward-thinking curriculum. This is a fantastic opportunity to join a thriving and rapidly developing faculty, with access to high-quality CPD and clear opportunities for professional growth within the Academy.

Business and IT are among the most popular subjects at the Academy, with over 100 Year 11 students and several Sixth Form classes. At Key Stage 3, our Digital Literacy curriculum is carefully mapped to the National Curriculum for Computing, offering a broad and balanced programme that blends technical computing units with creative IT topics.

At Key Stage 4, students study:

- OCR J277 GCSE Computer Science
- OCR Creative iMedia (IT)
- BTEC Tech Award in Enterprise (Business)

At Key Stage 5, students study:

- Level 3 OCR Cambridge Technicals in Business and IT
- Cambridge Advanced National in Computing
