

# THE HUMANITIES FACULTY

## INTRODUCTION

The Humanities Faculty at the Sutton Academy consists of knowledgeable, passionate and enthusiastic teachers who strive to give students a thought provoking and enjoyable experience in every lesson. As a new member of staff, you will be fully supported by an experienced group of colleagues who share a vision of excellent teaching and learning founded upon collaborative planning and assessment. We work together to ensure that there is consistency across the faculty, and to support each other to continually improve and achieve the best outcomes for our students.

## CURRICULUM

### History

History remains one of the most popular subjects at the academy, including 150 Y11 students and multiple 6th form classes. The key stage 3 curriculum allows students to study a range of topics in chronological order, starting from the Golden Age of Islam and ending with the legacy of the British Empire. At Key Stage 4, students study the AQA GCSE syllabus and our key stage 5 students follow the AQA A-Level Course. This is an exciting time for the department as we look to build on our curriculum by developing a wider range of extra-curricular activities for our students, including an upcoming trip to Kraków in 2025.

## THE DEPARTMENT

The Humanities faculty currently consists of 12 teachers, with curriculum leaders in place for Geography, History and RE. Staff benefit from a positive, collaborative working environment with excellent classroom facilities. We are looking for an enthusiastic teacher who will contribute to all aspects of the faculty and will inspire, and engage our students within our innovative curriculum. This is an excellent opportunity for the successful candidate to be a part of thriving, rapidly developing faculty and take advantage of the excellent CPD on offer within the Academy.
