Introduction

Learning takes place inside and outside the classroom. It is The Sutton Academy's policy to set home learning using Satchel One. It should support students, be clear, be planned, meaningful, and be set regularly.

This Policy is to be read in conjunction with the following related Policies:

- Teaching for Learning Policy.
- Assessment, Reporting & Recording Policy.
- Marking Policy.
- Covid Contingency Plan

What is Home Learning?

- Home learning refers to any learning activities which students are asked to do outside lesson time, be it at home or in the academy.
- Home learning should not prevent students from participating in enrichment activities after academy hours such as sport, academic or creative.
- Home learning should not impact adversely on the home life of each student.
- The Academy recognises that the environment in which students complete home learning varies significantly so will make every effort to help the home create conditions conducive to learning or to provide alternative arrangements within the Academy.

Objectives

- To reinforce, develop and establish concepts and skills taught in lessons.
- To support the learning within each curriculum area
- To encourage students to take responsibility for their own learning
- To practise independent study skills and develop perseverance and self-discipline
- To encourage the involvement of parents/carers in the work of the school

Phase 2 & 3

There is an expectation at Key Stage 4 that all subjects will set home learning at least once a week, however additional home learning may be set by discretion of the classroom teacher and this will be based around controlled assessments, mock examinations and coursework deadlines.

Setting of Home Learning

i Home learning must be set according to the home learning timetable. This enables students to plan their time effectively.

ii A variety of home learning tasks can be set, such as:

- Questions including past GCSE style questions.
- Research
- Thinking
- Reading
- Extended writing
- Past papers
- Notes
- Learning/revision
- Projects

- Rehearsing

iii All home learning must be assessed. This can be done in a variety of ways, such as:

- Marked by the teacher.
- Peer/self assessment.
- Orally.
- By testing.

iv Home learning tasks must be planned and must not be 'finish off' work. Home learning should normally be set at the start of the lesson. Setting home learning at the end of the lesson should be avoided.

v Students must be clear about the purpose of the learning and how it will be assessed.

vi Students must be given clear written instructions of the task, deadline and how to complete the work on Satchel One.

vii It is the responsibility of the teacher to ensure that home learning is set via the ShowMyHomework website, which can be accessed via a link on our school website.
