Dear Parent/Carer

The academy's Section 8 Ofsted inspection is now available to be viewed on our website using the following [link](#).

As detailed in previous correspondence, the visit was conducted virtually and focused on actions taken since the last inspection and the quality of education the academy has offered during the period effected by Covid-19. The academy received the highest possible judgement of "Leaders and those responsible for governance are taking effective action to provide education in the current circumstances."

The academy received particular praise for the work undertaken to ensure students have access to the full curriculum, the quality of that curriculum and work undertaken to develop students reading and vocabulary. The report is also positive regarding the support provided for students with SEND.

Thank you for all your support during the inspection, the academy will continue its work to offer the best education possible for your children.

Yours faithfully

Mr P Willerton
