Parent/Carer

This morning I have received notification that the academy will undergo a Section 8 Ofsted monitoring inspection tomorrow, Wednesday 1 December. The inspection is a Section 8 inspection and so will **not** result in a new grade.

As pleased as we are that Ofsted are visiting, we really hoped it would be a full section 5 inspection, which would have enabled the academy to go for a Good judgement. We intend to use the day to showcase all the improvements at the academy, in the hope that any future section 5 inspection is moved forward. We are looking forward to celebrating all the hard work of students, parents and the community with the inspector.

There will be no changes to your child's education, they will continue to access their normal lessons, enrichment clubs and any pre-agreed trips.

Any queries, please do not hesitate to get in touch.

Yours faithfully

Mr P Willerton
Principal
