

The Sutton Academy  
Together Students Achieve

Principal: Mr Paul Willerton

4 October 2021

Dear Parent/Carer

Thank you for your support in the PCR testing at the academy last week. We were able to conduct over 600 tests and identify 23 positive asymptomatic cases across staff and students. This has significantly reduced the chance of the virus spreading within the academy.

We have arranged for two Mobile PCR Testing Units to visit the academy again on Thursday 7 and Friday 8 October.

For those parents who have already completed the consent link below, there is no need to complete the link again.

Can those parents who did not complete the link please do so as soon as possible. Please also complete this if you do not wish to give consent; so that the academy only contacts parents/carers where no response has been received.

A reminder, it is advised not to have a PCR or Lateral Flow test if you have tested positive for Covid-19 within the last 90 days, unless you develop symptoms.

If you have any queries, please do not hesitate to get in touch.

Thank you for your continued support.

Yours faithfully

Mr P Willerton  
**Principal**
