

The Sutton Academy

Together Students Achieve

Principal: Mr Paul Willerton

Dear Parent/Carer

Student Login

Your child recently received their student code to access the ClassCharts system. They will need to use this code to login to their student account. We have attached a copy of this code to this email so that you can support your child as necessary.

As you are aware, we believe that the successful development of our academy values relies upon the partnership between teachers, students and their parents/carers. Just as we want all of our parents and carers to be using the ClassCharts app, we also want our students to be involved in receiving praise as well as reflecting on any instances of unacceptable behaviour. Sharing information with them will be an essential part of this process.

Students are encouraged to access the following website link below to download the student app - <https://www.classcharts.com/student/login>

Parent/Carer Survey

Along with the launch of ClassCharts to students, we now feel that it would be a good time to survey parents/carers about their use of the ClassCharts system so far this academic year. Please could we ask your support in completing the survey link below, which will take you no more than a few minutes of your time.
