

The Sutton Academy

Together Students Achieve

Principal: Mr Paul Willerton

17 June 2022

Dear Parent/Carer

We would like to invite your child to a summer school held at The Sutton Academy. The aim of this is to support transition to the academy before they embark on their new journey at secondary school. The summer school will take place from Monday 22 until Wednesday 24 August inclusive, and will run from 9.00am until 2.00pm each day. During this time students will take part in a range of both academic and enrichment activities run by both staff from the academy and external providers. All equipment will be provided and the summer school is free of charge.

Students should arrive at the main academy reception where they will be registered and directed to a classroom. Due to the nature of the activities, sportswear is recommended each day to avoid changing. Students will be provided with lunch, however any child wishing to bring their own packed lunch should ensure that this is clearly labelled with their name. An additional bottle of water is also recommended.

If you would like your child to participate in this exciting opportunity please register using the following link <https://forms.office.com/r/DL0nrhEf7p>

It is important that we hold accurate emergency contact details and any medical information needed and as such, we will not accept registration to the summer school by any other means.

Please indicate which days you would like your child to attend. Unfortunately, there will be no facility for students to attend part-days. In order to organise staffing numbers, the deadline for registration is **Monday 4 July**.

If you have any queries please do not hesitate to contact the academy.

Yours faithfully

L Seddon
