

27 November 2024

Dear Parent/Carer

On Wednesday 27 November at 2.00pm, we have two external visitors coming into the academy delivering a talk to our Year 12 students. The talk is about a trip that is being offered exclusively to academies across the TCAT trust.

The trip will run from Saturday 5 July until Saturday 19 July 2025 to the Carpathian Mountains in Romania, which will give students an immersive, hands on insight into wildlife monitoring, forest conservation, restoration, and wilderness survival.

This is an amazing opportunity for our students, and is something we are very pleased to be able to offer. It is expected that all Year 12 students attend this talk, where they will find out more information to decide if they would like to apply to attend.

The trip is being funded through the Turing Scheme, which means that this trip will be free of charge for anyone successful in applying.

Selection processes and decisions will be set and carried out by TCAT.

Please note that this trip is being fully conducted by TCAT including all planning, preparation and implementation.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

K Alkafafi

Mrs K. Alkarafi
Director of Sixth Form
