

11 September 2024

Dear Parent/Carer

We are delighted to give students the opportunity to attend a three-week programme at DNA Fitness Gym (based in Rainhill), as an introduction to using state of the art gym equipment led by a qualified professional.

The sessions are fun and engaging and are for all ability levels. Due to capacity, we will be running four three-week block sessions. Once places are confirmed we will be in touch to let you know which three-week block session your child will be attending.

Transport will be provided by the academy to take your child to DNA Fitness Gym and then return back to the academy at approximately 4.00pm.

Please see the dates of the block sessions below:

Block 1: Wednesday 18 September, 25 September, 2 October.

Block 2: Wednesday 9 October, 16 October, 23 October.

Block 3: Wednesday 6 November, 13 November, 20 November.

Block 4: Wednesday 27 November, 4 December, 11 December.

The cost for this will be £6.00 for all three sessions. Usually, the sessions would cost £12.00 for three weeks but the academy will pay 50% towards the cost to make this opportunity more accessible to our students.

Places are limited and will work on a first come first served basis.

Payment for this opportunity will be available on ParentPay from this afternoon.

If you have any questions please do not hesitate to contact me using the email address below.
