Dear Parent/Carer

I am writing to inform you that we have recently made some changes to the Year 10 English sets. These changes have been made following two recent Tracking Assessments – one in English Literature and one in English Language.

We have carefully reviewed each student's outcomes in these assessments, alongside their classroom progress and Attitude to Learning. As a result, some students have been moved to ensure they are receiving the appropriate level of support and challenge to help them achieve their full potential.

Please be assured that all decisions have been made with your child's best interests in mind, and we believe these changes will have a positive impact on their progress as we continue through the GCSE course.

If you have any further questions or would like to discuss your child's set change in more detail, please do not hesitate to contact me at:

rebecca.johnson@thesuttonacademy.org.uk.

Thank you for your continued support.

Yours faithfully

R Johnson
