

15 July 2025

Dear Parent/Carer

We are pleased to invite your child to take part in our Community Summer Activities Hub, running during the summer holidays. This exciting programme has been created to open our academy facilities and offer a variety of engaging activities led by academy staff and selected external providers.

Activities will include Art and Design, Performing Arts, Sports and STEM Activities and a range of other fantastic workshops delivered by our subject specialists.

This is a great opportunity for your child to connect with other students who will be joining the academy in September 2025, as well as current academy students from across Key Stage 3 through our Leadership Programme, which will run alongside the Summer Activities Hub.

The first two days, Monday 11 & Tuesday 12 August are open to students who are eligible for free school meals or children who are in receipt of a support plan or EHCP. Please note, places are limited each day due to funding restrictions from the Department for Education.

Wednesday 13 August is open to **ALL** students, to support with their transition to our academy.

When completing the link below, we ask that you indicate the specific days your child would like to attend.

Available dates:

- Monday 11 August - for students who eligible free school meals or children who are in receipt of a support plan or EHCP.
- Tuesday 12 August - for students who are in eligible for free school meals or children who are in receipt of a support plan or EHCP.
- Wednesday 13 August - for ALL students attending The Sutton Academy in September 2025.
