

Remembrance Day

Dear Parents and Carers

As you will be aware, Tuesday 11 November marks Remembrance Day; a national occasion to honour the service and sacrifice of those who have defended our country in conflicts past and present.

As an academy, we will be marking Remembrance Day on **Monday 10 November** with a time for reflection and a period of silence.

To commemorate the occasion, all students have been offered the opportunity to purchase poppies during the week leading up to Remembrance Day.

On **Monday 10 November**, we would like to invite all students who represent key community groups outside of the academy to wear their organisation's uniform with pride. Students have permission to wear the uniform of the listed groups to and from the academy. Students are still expected to bring all normal equipment, including their PE kit where applicable.

Groups include:

- Guides
- Brownies
- Scouts
- Cadets
- Brigades
- Cubs

If your child attends a group that is not listed above, but you feel should be represented, please contact your child's Head of Year.

If you have any questions, please contact your child's Head of Year.

Yours faithfully

Mrs C. Sidhu
Curriculum Leader for Personal Development
