

GCSE Results Day - Thursday 21 August 2025

Dear Parent/Carer

Students in Year 11 have been working extremely hard in recent months to prepare themselves for their final GCSE examinations. Their hard work along with the support that teachers and staff have provided, means that they have sat their exams with confidence. We are very excited to receive their results on Thursday 21 August 2025 and know that the grades they receive will be testimony to the commitment both staff and students have shown.

Students will be invited to collect their results at the academy from 9.30am. Results will be available to collect from the Technology Plaza. Once students have collected their results, all students will have an individual meeting with a member of the Academy Leadership Team to discuss their destinations. Students will be able to officially enrol for our Sixth Form during this meeting. These meetings will take place in the Community Base, next to Main Reception.

The academy will remain open for collection of results until 11.30am after which, any uncollected results will be sent home via email. If you are unable to come into the academy to collect your results, please let me know and I will arrange for your results to be sent to you electronically on the morning of Thursday 21 August.

I hope you have a well-rested and enjoyable summer break, and we look forward to seeing you on results day.

Yours faithfully

Ms Gobin
Vice Principal
