Year 11 Maths & English Revision Conference

Dear Parent/Carer

At the academy, we are fully committed to supporting our parents/carers, as well as our students, through what is no doubt a challenging academic year. After reviewing the latest student tracking data, **we have identified that your child needs some additional support to achieve a grade 4 or 5 in Maths and English.**

We understand that this may be concerning for you as a parent/carer, and you may be wondering what you should be doing at home to support your child in preparing for their GCSEs. We are often asked questions such as:

- How much revision should my child be doing each night?
- What is the best way for my child to prepare for their English Language exam?
- What does my child need to do to achieve a higher grade in Maths?

To help answer frequently asked questions such as these, and to provide you with advice and guidance on how to navigate the remaining weeks, we would like to invite you to a Parent/Carer Conference specifically designed for students who are currently struggling with Maths and/or English.

This event will take place on Monday 20 April, from 5.00pm to 6.00pm. You will hear from the Year 11 Team, as well as the Faculty Leaders of Maths and English. The event will be held in the Arts Theatre.

You are invited to register your attendance for the Parent/Carer Revision Conference by following the link below, before the end of the day on **Wednesday 15 April.**

We are very proud of the support that we offer our Year 11 students and are confident that we can provide your child with the opportunities and encouragement they need to reach their full potential. We hope to work in strong partnership with parents/carers to achieve this.

Please do not hesitate to contact me or a member of the Year 11 Team if you have any questions about the conference.

Yours faithfully

Ms L. Gobin
Senior Vice Principal
