**Maths Disneyland Trip January 2027**

Dear Parent/Carer,

I am writing to provide an update regarding the Disney Maths Trip to Paris and to remind you of the expectations that students must meet to retain their place on the trip.

All students have now paid the initial deposit for the trip. Please note that once the deposit is processed on 5 November, it becomes non-refundable. The remaining balance must be paid by Wednesday 25 November and will also be non-refundable after this date.

As attendance and behaviour are essential to ensuring the success and safety of the trip, all students must maintain at least 95% attendance and accrue no more than 20 behaviour points from the start of this half-term until the week before Christmas.

Behaviour points will restart from this half-term for the purposes of monitoring eligibility for the trip. If you have any concerns about you child not meeting these criteria, please get in touch before the 5 November for a refund on your deposit.

Please be aware that any student who does not meet the attendance and behaviour expectations will lose their place on the trip and no refund will be issued. We ask for your support in reinforcing these expectations with your child.

As our return journey is scheduled to arrive back in the UK during the evening, all students will be expected to attend the academy on Wednesday 3 February 2027 following our return.

Thank you for your continued support. If you have any questions regarding the trip, please do not hesitate to contact the academy.

Yours faithfully

*N. Eccleston*
