

Supporting Students Through the Final Stages of the GCSE Exam Season

Dear Parent/Carer

As we enter the penultimate week of the GCSE examination season, I would like to take this opportunity to congratulate our students on the commitment, resilience and determination which they have shown so far. We are incredibly proud of the way they have approached their examinations and the effort they have invested throughout this demanding period.

We recognise that after several weeks of exams and revision, many students are starting to feel tired, this is completely understandable. However, with only a short time remaining, we would like to encourage students to maintain their focus and continue attending all scheduled revision sessions.

These final revision sessions are a vital part of our support programme and are designed to give students the best possible opportunity to achieve excellent GCSE results. They are delivered by subject specialists who have carefully planned each session to target key content, examination techniques and areas where students can gain valuable marks. The guidance and expertise provided in these sessions can make a significant difference to students' confidence and performance in their remaining examinations.

Remaining sessions

Date	Subject	Time
Saturday 6 June	Maths	9.00am – 11.15am
Monday 8 June	Spanish	2.40pm – 3.40pm

The Sutton Academy

Together Students Achieve

Principal: Mr P Willerton

We strongly encourage all students to attend these final support sessions. Our experience shows that students who take advantage of these additional support sessions achieve better outcomes than those who do not, and it is vital that your child makes the most of these final opportunities.

In order to recognise students' commitments throughout the final weeks of the GCSE exam season, we would like to offer the following incentives:

- Students who attend the Maths revision session on Saturday 6 June will be entered into a prize draw to win a £10 Amazon voucher
- Students who attend all Boost and Secure sessions applicable to them will be entered into a prize draw to win a £10 Amazon voucher
- Students who attend all Boost and Secure sessions applicable to them will be offered a choice of early entry ticket to the 'Frozen Sweet Treat celebration', that will be held on Friday 12 June or an early access pass to the Champagne reception that will be held at The Sutton Academy before Prom

We would be grateful for your support in encouraging your child to attend every revision session available to them over the next coming days. Consistent attendance will help ensure they are fully prepared and able to approach their final exams with confidence.

Thank you for your continued support throughout the examination season. Together, we can help your child finish strongly and achieve the outcomes they have worked so hard for.

Yours faithfully

Ms L. Gobin
Senior Vice Principal
