21 October 2026

Dear Parents and Carers

Year 10 and Year 11 College Information Event – Thursday 22 October.

We are pleased to inform you that on the morning of Thursday 22 October, representatives from local colleges will be visiting the academy to speak to all Year 10 and Year 11 students about the post-16 options available to them.

Following these presentations, a college fayre will take place during breaktime, giving students the opportunity to speak directly with college representatives, ask questions and collect useful information about courses, entry requirements and future opportunities.

We encourage all parents and carers to support these important conversations at home. Talking to your child about their interests, aspirations and possible next steps can help them make informed decisions about their future. Ensuring students are in attendance your encouragement and support in attending college open events and researching available courses will be invaluable.

Please note: All college open events must be booked in advance through the individual college websites. We recommend checking these websites regularly for dates, times and booking arrangements.

Thank you for your continued support in helping our students explore their options and make positive, informed choices about their futures.

Yours faithfully

C Sidhu
