

The Sutton Academy

Together Students Achieve

Principal: Mrs Alison Sherman

14 February 2020

Dear Parent/Carer

As you are aware we had planned to take Year 13 and Year 11 students to Disneyland Paris. It is with regret that I write to tell you that unfortunately, due to circumstances beyond our control, we will have to cancel the upcoming trip.

As the Government have now put plans into place to ensure Brexit, companies are wary of the effects this may have on them and have therefore raised their prices. The cost of the trip has gone up considerably and we would need to recruit more students in order to keep the prices low. At this stage, we would struggle to find students who are able to pay the full cost of the holiday by the February deadline provided to us by the holiday company.

I have been working closely with our trip organisers who have tried their best to make the trip viable. Unfortunately, they are facing the same issues with coach companies, ferry companies and hotel chains also raising their prices due to the current political climate.

I can only apologise unreservedly. We were very much looking forward to accompanying your child on this trip. Please rest assured all payments made so far will be fully refunded on Monday morning via the method it was received.

Yours faithfully

J Dempsey
