Together Students Achieve

Dear Parent/Carer

Your child has been given a unique opportunity to participate in some independent learning in Science. As an academy, we have paid for them to access an application called '**Tassomai**'. This is an online based resource which can be accessed by an application or web browser. I would request that students spend **at least 5-10 minutes per day, 5 days per week**, on this resource which will ultimately support them in improving their overall subject knowledge in Science. This is an excellent and proven resource.

Your support in ensuring they complete **at least 5-10 minutes per day** would be very much appreciated. If you do have any concerns or questions please don't hesitate to contact me at the academy.

Yours faithfully

Mr A Cawley
