Together Students Achieve

Principal: Mrs Alison Sherman

January 2020

Dear Parent/Carer

## **Year 11 Partnership Evening – Thursday 9 January 4.00 pm to 7.00 pm**

Appointments have been emailed to you for Partnership Evening and have been scheduled automatically for parents. You should find that core subjects of English, Maths and Science have an appointment. The majority of other subjects studied have also been scheduled automatically; although where class sizes are large some students may not have a fixed appointment.

In any circumstance where your child does not have a scheduled appointment with a member of staff that you would like to see, please check with the member of staff in question on the evening to see if you can meet with them.

As you can imagine parents and teachers have a lot of appointments throughout the evening and so could we please ask you to note :-

**Parents stick to the scheduled appointment order and times as best they can.**

**Appointments are set at four minutes, which should enable enough time to discuss your child's progress; please be mindful of this on the evening.**

Kind regards.

Yours faithfully

*Year 11 Team*
