Dear Parent/Carer

Your child has their first BTEC Sport Coursework deadline on **Thursday 24 October**.

The 'Basketball Skill Cards' task must be completed by the end of their Period 1 lesson.

If the work is incomplete, then they will be required to stay back at the end of the day in room EF10 to complete it. A message will be sent out to inform parents of this on the day.

Please encourage your child to meet this deadline by ensuring they are completing work in their own time. Students can access the computers in room EF02 before and at the end of the academy day, or can do the work at home.

Thanks

Rachel Lithgow
Teacher of PE/Sport
