

The Sutton Academy

Together Students Achieve

Principal: Mrs Alison Sherman

4 February 2020

Dear parents and students

I am writing to share with you my intention to retire from my post as Principal of The Sutton Academy at the end of this academic year.

I began my career in education in 1982 as a teacher of mathematics and in the last 38 years I have enjoyed a number of teaching and leadership posts in a total of 8 different schools, including being headteacher/principal in 3 different schools.

However my time at The Sutton Academy is very special to me. I am proud of what has been achieved at the academy during my 6 years as Principal and this has only been possible due to the hardwork and dedication of both staff and students and the support of parents. I firmly believe that The Sutton Academy is now the excellent school that our local community deserves.

I will work closely with the Governing Body to appoint my successor, someone to lead The Sutton Academy to further success.

In the meantime I will continue to lead and serve the academy and ensure that we have the highest expectations in all that we do.

Yours faithfully

A M Sherman
Principal
