

The Sutton Academy

Together Students Achieve

Principal: Mrs Alison Sherman

20 April 2020

Dear Parents/Carers

I hope you and your families are safe and well and you managed to enjoy the Easter break.

Today is the start of our Summer term and we are resuming our online learning. Please do refer to the letters from Mrs Grace detailing what learning your son/daughter should be engaging with and how they can submit their work.

We have all had to adapt to new ways of working and I do appreciate your patience as we have resolved initial issues. I also recognise the support you are giving your child by encouraging them to engage with online learning and taking part in the optional activities, I recognise that this may be challenging at times. If you do have any concerns or queries please do not hesitate to get in touch, we will respond to all queries.

We will continue to follow the government's guidance in order to keep everyone in our community safe and we will make plans to reopen as soon as we are able. In the meantime, we will continue with online learning and we will refine and improve it as is necessary. The academy remains partially open on a daily basis for the children of critical workers and students deemed as vulnerable.

Below are some links provided by the government which you may find useful. They include links to BBC Bitesize and Oak National Academy for further remote lessons.
