

# The Sutton Academy

Together Students Achieve

Principal: Mrs Alison Sherman

2 April 2020

Dear Parent/Carer

I hope you and your family are keeping well and coping in these very difficult and worrying times.

Next week is the start of our usual Easter holiday and as such, we will not be setting the daily compulsory learning tasks for your son/daughter to complete. We will however set a series of optional activities and projects that they may enjoy engaging with.

The student response to our home learning has been excellent and each week I will recognise students who have submitted an outstanding piece of work or demonstrated resilience and exceptional effort.

At the end of this term Mrs Tomlinson, teacher of food technology, is sadly leaving us to take up a post much nearer to home. Mrs Tomlinson joined The Sutton Academy in September 2016 and I would like to thank her for her dedication and commitment during her time with us, she will be missed. However, we are very fortunate that Mr Huey will be returning to the academy as he has been appointed as teacher of food technology with immediate effect.

As we move into this holiday period I would like to reassure you that we will maintain telephone communication and will respond to online queries. There will be a skeleton staff keeping the academy open and please be assured of our ongoing support for our students and their families. From Monday 20 April, we will resume our daily compulsory learning tasks.

Yours faithfully

A M Sherman  
Principal
