

The Sutton Academy

Together Students Achieve

Principal: Mr Paul Willerton

23 September 2020

Dear Parents & Carers

As discussed in previous correspondence, I am keen to keep all parents and carers fully informed on the ever-changing Covid 19 picture.

Today a student in Year 7 received a positive test for Covid 19. This is unrelated to the previous positive case. The student has not been on site since the 15 September. At that time, they were not showing symptoms and the reason for self isolation was due to the parent also needing to self isolate. We have been in contact with the Local Authority and the Department for Education to provide all the necessary information.

We have been advised that no further action needs to be taken because the child was not on site during the incubation period.

If yourself or your child does develop any of the three Covid 19 symptoms, please follow the poster the academy shared on 9 September for further guidance.

Please do not hesitate to get in touch with any concerns or queries.

Thank you for your continued support.

Yours faithfully

Mr P Willerton
Principal
