Dear Parent/Carer

Year 13 January Vocational Examinations

Due to the national lockdown and the recent announcement from the Department of Education, we are no longer planning to run the scheduled January/February external exams in:

- ICT
- Business Studies

This decision has been taken on the grounds of Health and Safety and ensuring fairness that all students have been fully prepared for these exams. If you feel your child should still be entered for the exam please contact me by 3pm Thursday 7 January to discuss.

It is essential that students continue to work on these subjects, especially the coursework elements, as we expect the Department of Education to update us in the near future on what will replace these exams.

We understand this is a worrying time for students and parents and we will update you with further information as soon as we know.

Yours faithfully

Lynsey Grace
