Together Students Achieve

Principal: Mr Paul Willerton

4 December 2020

Dear Parent/Carers

Earlier this term, on Tuesday 17 November, Ofsted visited the academy as part of their strategy to gather information on how schools were reopening after the initial lockdown and supporting students in “catching up”.

The visit was conducted online, with two inspectors meeting with myself, members of the leadership team and leaders of key faculty areas. It was a visit rather than an inspection and so there is no grading or judgement; just a letter detailing the facts of the visit.

A copy of the published letter is attached for your reference and this will also be uploaded onto the Ofsted website, as well as ours.

If you have any questions please do not hesitate to contact us.

Yours faithfully

Mr P. Willerton
