Grade 1 Outstanding Students

Congratulations to the following students who have achieved the highest number of grade 1 ATL this week.

RECOGNISING ACHIEVEMENT

Well done to all students who used their imaginations and creativity to create their monsters within Art. You all did an amazing job but a special mention must go to P. Mouldsdale (8U) who created this outstanding monster coming out of a suitcase!

HOME LEARNING

Please could you ensure that your child is completing any homework which is uploaded onto Satchel One (previously Show My Homework). Their login details

for Satchel One are the same details that they use to access the academy computers. If your child is self isolating please ensure they continue with their schoolwork by completing the lessons that are uploaded each day. I have sent information home recently about how your child uploads their work and downloads work from the site.

From next week I will be sharing with you all our home learner of the week. This could be any student who completes outstanding homework or class work whilst self-isolating!

READY TO LEARN

This week students have been learning about... Cultural Capital - Students have been learning about explorers. From the first explorers thousands of years ago, to Christopher Columbus and modern-day explorers such as Sir Ranulph Fiennes.

Please ask them about this!

Silent reading

- Please ensure that your child brings a reading book into school as they are expected to complete silent reading within Ready To Learn and are encouraged to read as much as possible.

Notices - Thank you to all students within year 8 who entered our Christmas card competition. Fingers crossed for a winner from year 8 and I look forward to sharing with you some of our year 8 entries next week.
