

# The Sutton Academy

Together Students Achieve

Principal: Mr Paul Willerton

Dear Parent/Carer

October 2020

## Enrichment-Team App

The Sutton Academy now has their own FREE smartphone app. We would like to encourage all parents of students who attend sports clubs or after school enrichment opportunities to download and register on the app, as this is how you will be able to sign up for after school clubs for students during this pandemic.

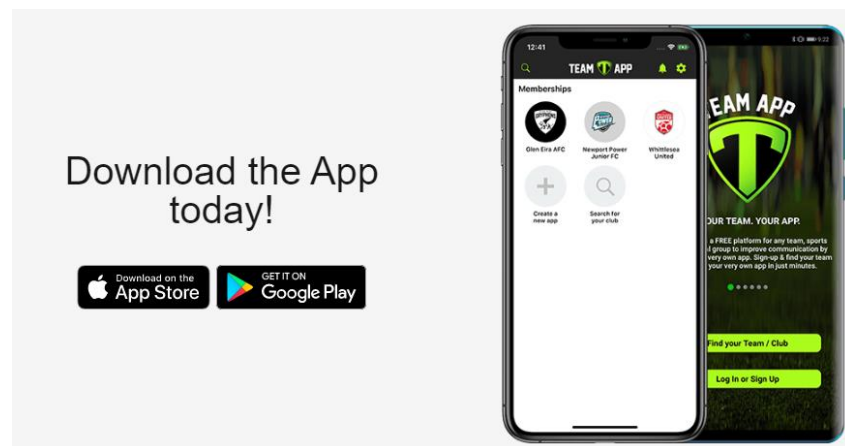

Students will sign up through the 'events' section of the app for a 3 week block of their chosen activity, once the 3 weeks is up they will then have the opportunity to sign up for future weeks.

Places are limited and will work on a first come first served basis.

A list of all available opportunities will be on the app in the 'events section' and details about the club will be included in 'news'. We are currently restricted on what we can offer as an academy however as regulations allow, more opportunities to take part in enrichment opportunities will become available on the app.

To enjoy the full features of this app please go to the App Store or Google Play and download Team App onto your mobile device, then follow these simple steps :-

1. Sign-up to Team App. You will be sent an e-mail to confirm your registration.
2. Log-in and search for **TSA ENRICHMENT (Year 7, 8, 9 or 10)**, then request to become a member.

Yours faithfully

*N Egerton*
