Dear Parent Carer

Year 8 Review Evening

Due to the academy closure in March, staff did not have the opportunity to meet with you regarding your child's progress at The Sutton Academy. As a result, Year 8 Review Evening has been set up as an opportunity to speak to your child's class teacher about how they have settled back into their studies and ask any questions that you may have. This evening will take place on Thursday 22 October.

All appointments will be held virtually and Parents/Carers will be sent an email with unique log in details and a list of appointment times. Please ensure that you set this up prior to the evening so that we can resolve any issues.

To access the evening you will need; a device with a microphone or speaker and a compatible web browser from the following list:

- Iphone/Ipad
- Android
- Windows: Chrome, Firefox or Microsoft Edge
- Mac: Safari. Chrome or Firefox
- Linux: Chrome or Firefox

Your child's appointments will become available 60 minutes prior to your first appointment start time. At the allocated time click "join appointment". You will then repeat the process for each of the subject appointments that you have on that evening. In order for teachers to speak to all members of their class, the appointments have been set to 4 minutes per lesson. A countdown timer for each appointment will be in view and calls will automatically cut off at the end of your allocated time. Further details on how to access the system will be sent out in due course. If you feel you do not have the facilities to access these appointments, please contact the year team.

Thank you for your continued support and I hope that you find the evening beneficial.

Yours faithfully

L Seddon
