Dear Parent

Y11 Enrichment Programme

Thank you for your continued support throughout Year 11 and especially during the recent assessments.

After half term we will be providing Year 11 students with a package of enrichment activities which will boost their CV and prepare them for Sixth Form/college/apprenticeships.

The timetable will be a mixture of onsite provision and on line provision. Students only need to attend the academy at the times on the programme below. At all other times students will be provided with on line enrichment opportunities and courses to complete. Details for the online courses will be posted on Satchel One each week.

Students do not need to wear uniform for the on-site enrichment activities but must wear appropriate clothing.

Further specific details will be sent home shortly for the Sixth Form Induction sessions and the two rewards events – Alton Towers trip and Leavers Assembly.

If you have any queries about the enrichment weeks please contact the Year 11 team in the first instance.

Yours sincerely

Mr K Harker
