

# The Sutton Academy

Together Students Achieve

Principal: Mr Paul Willerton

20 January 2021

Dear Parent/Carer

Thank you for continuing to support your child and the Academy as we have transitioned once again to remote learning. Without your support, the students at the academy would not be able to continue to learn and develop. From this week we will be introducing the following rewards to help keep our students motivated.

### **Every Year Group**

We understand that remote learning is a whole family commitment so we would like to reward one family in each year group a week who have supported their child to complete all of their remote learning. Each Thursday Year Teams will select one student who has demonstrated excellent attitude to learning and their family will be contacted to reward them with a Friday Family Pizza night.

### **Year 9 Specific Rewards**

Each student that receives a special mention in our weekly assemblies will also receive a postcard home with a scratch card reward. The prizes range from sweet treats, a drink on us, que jump pass, reserve a table in the canteen for a week, mystery prize. The students will need to keep their postcard, as they will be able to redeem their prize once we return. Assemblies are published on Show My Homework/Satchel One every Friday.

One student each week will also receive a letter in the post congratulating them on their hard work from myself with a £10 voucher enclosed. The student is to be selected based on their efforts in both live lessons and their independent remote learning tasks.

I cannot overstate how important it is for Year 9 to continue engaging with their online work via Show My Homework/Satchel One and Zoom. We are mindful this presents challenges but we are always happy to help with any issues or concerns, please do not hesitate to contact the Year 9 team with any queries.

We look forward to continuing to work with parents to deliver the very best for Year 9 students.

Yours faithfully

Miss Flynn  
Year 9 Achievement Leader
