Together Students Achieve

Principal: Mr Paul Willerton

Dear Parent/Carers

21 January 2021

Once again, we find ourselves facing uncertain terms and we understand that this uncertainty can create anxiety for our students. So far, many of our students have shown great resilience and have adapted well to remote learning and the tasks asked of them. As always, we are incredibly proud of our students.

I therefore wanted to write to you all to inform you of our incentive scheme we are launching to reward our sixth form students. There are three parts to this scheme.

1) Sixth Form Great British Bake Off:

Every Monday power point will be uploaded to Satchel One which will detail the recipes and instructions for two dishes, one sweet and one savoury. Students can choose a recipe to cook, or if they feel more daring they can cook both. Once completed, they can take a photograph of the dish and send to myself via Satchel One or email to enter the competition. At the end of the week, all entries will be placed into a draw and the winner will receive a Domino's pizza of their choice delivered straight to their front door.

2) Sixth Form Photography Challenge:

A weekly themed photography challenge will also be uploaded to Satchel One. For example, this week's challenge is 'winter in lockdown'. Students can upload a maximum of two entries a week. All entries will be placed into a draw and the winner will receive a Domino's pizza of their choice, delivered to their door.

3) Home Learning Heroes:

Students will be nominated by their teachers based on their attendance to online lessons and engagement with remote learning tasks. The winner will receive a Papa John's meal deal for all the family to enjoy. We recognise how hard you as parents are working to support your children while also working from home, and home learning other siblings. Therefore, we would like to reward the whole family for their efforts.

Finally, I would like to take this opportunity to thank you all for your continued efforts, in ensuring our students engage so well with their remote learning. By working as a community, we can face this together, to and our students are not disadvantaged by this unprecedented situation. We remain wholeheartedly committed to ensuring our students are supported in achieving their full potential and beyond.

Yours faithfully

J Dempsey
