

# The Sutton Academy

Together Students Achieve

Principal: Mr Paul Willerton

Dear Parents & Carers

10 December 2020

As discussed in previous correspondence, I am keen to keep all parents and carers fully informed on the ever-changing Covid 19 picture.

Today a member of staff received a positive test for Covid 19. We have been in contact with the Local Authority and the Department for Education to provide all the necessary information regarding the movement and interactions during the day. Due to the measures taken, we believe that social distancing was in place throughout but are taking the precautionary step to ask 7 students and 4 staff to self-isolate for 14 days who would have been closest during lessons within 48 hours of symptoms starting. This included Monday 7 and Tuesday 8 December.

All other students in the academy, **unless you have received a previous letter informing you that your child needs to self isolate**, do **not** need to self isolate as they have not been in close contact with the member of staff. They are to continue attending the academy as normal.

If your child does develop any of the three Covid 19 symptoms, please follow the poster the academy shared on 9 September for further guidance.

Please do not hesitate to get in touch with any concerns or queries.

Thank you for your continued support.

Yours faithfully

Mr P Willerton  
Principal
