

PARENT & CARERS COMMUNICATION

Please download and use the following systems:

COMMUNICATION & PAYMENTS

Arbor is the academy's main communication system. It allows for effective two-way communication through the app and allows the academy to send electronic copies of Tracking Reports to parents/carers across the academic year. The app is also used for online payments allowing parents to pay quickly and securely for academy meals, trips and activities, uniform, music lessons and more.

BEHAVIOUR REPORTING

You can use Class Charts to keep track of your child's behaviour, view attendance records, access their weekly timetable, view assigned homework tasks, track scheduled detentions, create wellbeing submissions and view announcements from the academy.
