

SUTTON

Shout-outs

Sutton Shout-outs
celebrate the qualities we value
most in our young people.

Each week, staff recognise students who demonstrate kindness, reflection and resilience, and who contribute positively to our wider school community.

These shoutouts are not about rewards for attainment alone, but about acknowledging the habits, attitudes and character that help our students grow into thoughtful, fulfilled and responsible individuals.

We are pleased to share these moments of pride with parents each week.
