

Principal: Mr P Willerton

Dear Parents and Carers,

**Re: PSHE Updates and Parent Consultation**

We want to let you know about some updates to our Personal, Social, Health and Economic (PSHE) curriculum following new government guidance on Relationships, Sex and Health Education (RSHE).

Following the guidance, we are reviewing and updating parts of our PSHE lessons to make sure learning stays up to date and meets the needs of our pupils.

Some topics linked to relationships, health and personal development may be taught differently, introduced at different times, or include updated content. We understand that parents and carers may want to know more about what is taught, when topics are introduced, and the resources used in school.

We value your views and want to keep families informed, so we will be holding a consultation to give parents and carers the chance to learn more, ask questions, and share feedback.

During the consultation, you will be able to:

- View an overview of the updated PSHE curriculum maps
- Review Government guidance
- Request further information or resources where appropriate
- Ask questions and share feedback with staff

The consultation will run from **Friday 12th June to Wednesday 24th June**. All information will be available on the school website <https://www.thesuttonacademy.org.uk/personal-development> click on **PSHE Update 2026/27: Parent Consultation**.

You can confirm you have read the information, ask any questions or give feedback via this link [PSHE Parental Consultation – Fill out form](#)

If requested, we will also invite parents and carers to a meeting at the academy to discuss any elements of the curriculum and how it is delivered.

We believe working closely with families helps support children's personal development, and we welcome your feedback.

Thank you for your continued support.

Kind regards

**Claire Sidhu**  
Associate Assistant Principal
