A busy night at our annual Open Evening

**On Wednesday 26th September,
we welcomed visitors to our
annual Open Evening.**

Once again, the event was very well attended. Activities organised by every subject area in the academy were many and varied, ranging from dissections in science, to coding your own program in computer science. English staff dressed up in amazing costumes for the Gothic Room. During the evening they also staged their very own murder mystery show.

In the food tech department a soup kitchen was set up, with samples for visitors to try, as well as a selection of bugs for the Bush Tucker Trial. There were also some fantastic dance, cheer-leading and PE demonstrations from our students in the sports hall and dance studio.

In mathematics visitors were asked to make their own mocktails using ratio and proportion to help make them. Visitors were welcomed by some interesting characters in the Egyptian maths room also.

We would like to thank parents and pupils who attended the evening which was a great success, and we welcomed some positive feedback.

Thank you to staff and our student helpers for their support as always.

Dates for your Diary

Thursday 11th October
Year 9 Information Evening

Monday 22nd - Friday 26th October
Half Term

Thursday 1 November
SIXTH FORM OPEN EVENING

Thursday 29 November
Year 9 Partnership Evening

Year 7 students off to a flying start in Netball

We have had some recent sporting successes, firstly the Year 7 Netball team won their first Netball Festival. The girls drew 0-0 with Hope Academy A, beat Hope Academy B 1-0 and St Cuthbert's 6-0. Quinn Walsh scored 6 goals and Angel Thompson 1. Well done to all the girls who took part.

Year 10 Football

In football, the Year 10 team beat Litherland High School 5-1 in the National cup. It was a really hostile away game with Litherland having a touch line full of animated parents. Their boys also played in a really aggressive manner - putting in a number of tackles which wouldn't have looked out of place in a Rugby game.

Our boys however, remained composed and didn't rise to the aggression shown towards them. They were an absolute credit to themselves and the Academy.

Year 11 students take part in a national vote

On Wednesday 3rd October, students in Year 11 took part in a ballot as part of the Make Your Mark campaign.

Make Your Mark gives a unique opportunity for young people aged 11-18 the chance to decide what Members of Youth Parliament debate in November 2018 within the House of Commons. The ballot decides what Members of the UK Youth Parliament should debate and vote on to be their campaign for in 2019.

With representatives from St Helens Council, Year 11 students placed their votes in the ballot boxes.

Sixth Form Open Evening

Thursday 1st November 2018

6.00 PM - 8.00 PM

Every student is provided with a unique opportunity to flourish.

100% of our students who study with us go on to University, employment or apprenticeships.

For further information visit their website:
